Believe Grow Achieve

13th October 2026

Dear Parents and Carers,

City of York School Admissions Consultation 2028–2029

City of York Council has launched its consultation on the proposed school admission arrangements for the 2028–2029 academic year.

The consultation runs from Monday 12th October to Tuesday 24th November 2026 and provides an opportunity for parents, carers and other interested parties to comment on proposed admission arrangements for schools across the wider York area.

As you may be aware, Copmanthorpe Primary School has already completed the consultation process relating to the reduction in our Published Admission Number (PAN) to 30 from September 2026. This decision has already been agreed and is not being reconsidered as part of the current consultation.

However, the current consultation covers proposed admission arrangements across the wider City of York area, and all parents and carers are entitled to contribute their views, regardless of whether the proposals directly affect their child's school.

You can view the consultation documents and complete the online survey for parents, carers and interested parties using the following link:
https://www.york.gov.uk/AdmissionsConsultation

The consultation closes on Tuesday 24th November 2026.
Kind regards,
Luke Dancer

Yours Sincerely

Luke Dancer
Headteacher
